PNG National Institute (Papua New Guinea) also applied but was not supported by the Oceania Representative because they felt that this institute is not ready for ASPC membership at this stage due to the points below. Aaron (PNG Sports Foundation) is willing to work with them to ensure that they are eligible in the future.

1. lack of/ nil HP technical staff at NSI (none of the following S&C, SS, Rehab, Physio, Nutritionist, Psych,)
2. no athlete life/ personal excellence staff/ programs (Personal development, athlete career education, life skills etc)
3. loosely define role/ responsibility in the overall HP system towards sustained international standard athlete development/ coach development
4. low, minimal Elite athlete and coach engagement (a lot more local, grassroot focus but low numbers as well)
5. recognized more as a community hub for the highlands region in PNG
6. evidence of strategic plans/ priorities linked to Gov mandate/ policy for NSI as a HP facility (the focus is on PE education at this stage)

Teikyo University Institute of Sports Science and Medicine have also showed interest to join, but no application received yet.

The Guatemalan Olympic Committee and the Autonomous Sports Confederation of Guatemala have also shown interest to join. No application received yet.

### **Other issues**

**Honorary Members.** In some committee meetings we have talked about the possibility to have some honorary members according to some criteria to be established. Some proposed names were:

- Wilma Shakespeare

- Frank Pyke
- Francesc de Puig
- Mike English
- Ken Norris
- Caroline Carpentier
- Jukka Lahtinen

No decision reached about that. Do we have to take up this issue again?

**Data protection clause.** According the Spanish and European laws, subjects must be informed about the treatment of their personal data. For that reason we propose to include in the application form the following clause:

*Following the Spanish law for the protection of personal data, we inform you that the data contained in this document will be collected, included and processed in the membership database of the ASPC and published on the web site <http://sportperformancecentres.org/>. The ASPC is responsible for this database, which aim is to manage the membership of the Association. You can exercise your rights of access, rectification, cancellation and opposition by sending an email to [secretariat@sportperformancecentres.org](mailto:secretariat@sportperformancecentres.org).*

*Signing this document you agree on the treatment of your data by the ASPC for the indicated purpose.*
